**ERNIE NESTER CHAPTER OF TROUT UNLIMITED ANNOUNCES
DUNLOUP CREEK STOCKING AND SUMMER PICNIC**

Volunteers will stock thousands of fingerling brown trout in Dunloup Creek

Charleston, W.Va. – The Ernie Nester Chapter of Trout Unlimited (ENCTU) announced today it plans to stock thousands of fingerling brown trout by hand in Dunloup Creek in Fayette County and host a picnic on Saturday, August 6, 2016.

WHAT: Dunloup Creek Stocking and Picnic

WHO: Ernie Nester Chapter of Trout Unlimited (Kanawha Valley)

WHEN: Saturday, August 6, 2016 at 9:00 a.m. (stocking), 12:00 p.m. (picnic)

WHERE: Meet at the National Park Headquarters in Glen Jean, WV to participate in the stocking. The picnic will be at 12:00 p.m. at the picnic shelter in Dun Glen on the New River near the mouth of Dunloup Creek.

“The Ernie Nester Chapter of Trout Unlimited stocks several streams across our region with thousands of fingerling brown trout each year. We’re hopeful this stocking will improve Dunloup Creek and enhance the quality of fishing. Earlier this year we conducted a stream cleanup on Dunloup Creek and removed nearly a ton of trash and garbage from the creek. The picnic afterward will provide a social opportunity for our members and prospective members to get to know each other, and some may even cast a line on Dunloup Creek or the New River,” said Mike Sayre, project coordinator for the Dunloup Creek Stocking for the Ernie Nester Chapter of Trout Unlimited.
